## WE BUILD COVERAGE TO MEET YOUR NEEDS

### GENERAL LIABILITY

This coverage can provide protection for wedding hosts or service providers if someone trips and falls or is otherwise injured at the wedding. It can also provide protection if you hold the event on someone else's premises and you or one of your guests damages their property during the event.

### LIQUOR LIABILITY

If someone is drinking at the wedding and injures someone while driving home, the host or the alcohol service provider could be held liable. This coverage can offer protection for a potential lawsuit against you for negligent service of alcohol.

*Note: Coverage is based on the terms, conditions, limitations and exclusions of your policy. Be sure to read your policy to verify your coverage.*

### ADDITIONAL COVERAGES:

- Breakfast/Brunch Date Coverage
- Cancellation
- Damage to Wedding Attire
- Jewelry Coverage
- Lost Deposits
- Medical Payments
- Photography/Videography Coverage
